

SUNIDHI SINGH

AI & DATA SCIENCE | MACHINE LEARNING | BUSINESS INTELLIGENCE

Passau, Germany • sunidhi2043@gmail.com • linkedin.com/in/sunidhi-singh-bb7806222 • github.com/Sunidhi2043

Available for Werkstudent & Internship opportunities • Available for on-site work

PROFESSIONAL SUMMARY

MSc Artificial Intelligence student at the University of Passau with a B.Tech in Computer Science & Engineering and hands-on experience across data analytics, business intelligence, machine learning, NLP, and software development. Skilled in Python, SQL, Power BI, Excel, and data visualization, with experience transforming structured data into dashboards, reports, and actionable insights. Seeking opportunities in Data Analytics, BI, AI/ML, or technology roles.

EDUCATION

MSc Artificial Intelligence — University of Passau, Germany | 2026 – 2028

B.Tech Computer Science & Engineering — SRM Institute of Science & Technology, India | 2021 – 2025 | CGPA: 8.62/10

EXPERIENCE

Market Research Project Manager — QuestionLab | Oct 2025 – Apr 2026

- Managed data-driven market research projects from planning through execution and delivery.
- Worked with structured datasets and reporting workflows to generate actionable research insights.
- Coordinated project activities across teams to ensure timely and accurate deliverables.

Web Development & Data Analysis Intern — Larsen & Toubro (L&T;) | Jan 2025 – Apr 2025

- Worked on web development and data analysis tasks using Python and related technologies.
- Analyzed structured datasets and supported data reporting and visualization workflows.
- Collaborated with teams to develop technical solutions and improve data-driven processes.

PROJECTS

Excel Insight Master | [Python](#) • [NLP](#) • [Machine Learning](#) • [spaCy](#) • [Excel](#)

• Built an AI-powered tool that enables natural-language interaction with Excel datasets, combining NLP and machine learning for data operations and visual results.

github.com/Sunidhi2043/Excel-Insight-Master

Sentiment Analysis Dashboard | [Python](#) • [Machine Learning](#) • [NLP](#) • [Data Analysis](#)

• Developed an analytics dashboard for social-media sentiment analysis, including data preprocessing, sentiment analysis, and visual insight generation.

TECHNICAL SKILLS

AI & Data: Machine Learning, Natural Language Processing, Data Analysis, Business Intelligence, Data Visualization

Programming: Python, SQL, JavaScript, C++, C

Analytics & BI: Power BI, Microsoft Excel, Dashboard Development, Data Transformation, ETL Fundamentals

Databases & Tools: MySQL, PostgreSQL, MongoDB, Git & GitHub, Jupyter Notebook, VS Code
